

PSAT/SAT I PREP/PRACTICE SESSIONS

August, 2009

Dear Senior, Junior, and Sophomore Parents and Students,

This Fall, Malvern will again offer the opportunity for students to take practice tests and review some strategies for the PSAT/SAT to be given in the coming months.

These sessions will take place on four consecutive Saturday, September 12, 19, 26, and October 3, from 8:30-10:00 AM and 10:10-11:40 AM. Students can take Verbal, Math, or both sessions. The REAL thing SAT is given on Saturday, October 10, and the REAL thing PSAT (for Juniors and Sophomores) on Wednesday, October 14. SENIORS MUST REGISTER SEPARATELY FOR THIS OCTOBER SAT!! SOPHOMORES AND JUNIORS WILL ALREADY BE REGISTERED TO TAKE THE PSAT AT MALVERN ON OCTOBER 14.

Price for the total of four sessions is \$50 for Verbal, \$50 for Math, and \$100 for both (Checks payable to "Malvern Prep").

Math sessions will include the taking of "new format" sections of the SAT I each Saturday and a review of selected questions by type. Verbal sessions will alternate Saturdays for the taking of both Critical Reading and Writing (including Essay) sections in the "new format." At least two complete tests will be given and reviewed.

If you are interested in these sessions, please either pre-register **on-line** at www.malvernprep.org/SATPractice or by submitting the form below along with you check for \$50 or \$100 to Mr. Valyo or Mr. Roper before Saturday, September 10, or report to Tolentine Hall on Saturday, September 10, at 8:15 AM for registration and course assignment. You need not take both Verbal and Math; accommodations will be made to take one, the other, or both.

Students and parents should be aware that these sessions are not to be viewed as informal gatherings. Promptness is expected, cooperation and attention in class is mandated. A majority of the time will be spent in taking sample SATs and PSATs UNDER TEST CONDITIONS. Studies have shown that there is no replacement for practice. A calculator is needed for the math section. Dress is casual, but NEAT.

If you have any questions at all concerning these sessions, please call Mr Valyo (484-595-1155) or Mr Roper (484-595-1134) at your convenience.

Sincerely,

Session Dates and Times—Saturdays, September 12, 19, 26 and October 3, 2009

Verbal—8:30-10:00; 10:10-11:40

Math-----8:30-10:00; 10:10-11:40

Mr. Roper

Mr. Valyo
