What are you thinking about majoring in? Why? _____

Please answer the following questions about your academic interests:

1. What do you consider your greatest academic achievement in this class(es) (if you had the teacher during junior year and freshman or sophomore year)? _____

2. What did you find most challenging in this class (these classes)? Why? _____

3. What was the one thing that you liked most about the subject(s) I taught you in? _____

4. Other than course content, what did you learn while in this class (these classes)? _____

Is there any other information, not mentioned on this form, that you would like to provide that may help in my writing your recommendation? _____

List 6-8 colleges that you are interested in applying to. Please designate the schools based on how you view your personal profile with the school's selectivity. For example, if the you are *confident* you will be accepted, place a "C" next to it; if you think it is *realistic* that you will be accepted, place a "R" next to it; if you think it is a *reach* school, place an "RE" next to it.

Questions for teachers to contemplate:

What was this person like as a student in your class?

What do you see as the student's academic talents?

Which of the student's contributions to the class stand out? (i.e. writing ability, participation, academic risk taking, oral communication, test taking ability, etc.)
