Announcements

**Welcome to MyPaymentsPlus for Cafe and Activities/Fees.**

Villa Maria Academy will use the My Payments Plus system to have families pay for cafeteria food, food in the school store, fees for team apparel, field trips, dance tickets, etc. The Forms/Fees that appear **may be optional** if you wish to purchase (ie: Athletic warmups for keycard replacement). They are NOT invoices due. If you daughter needs a warmup, you can purchase one in Athletic Uniforms. If not, you can ignore it.

We ask you to set up notification on balances with a threshold you are comfortable with. If you balance reaches zero and you do not have auto replenishment on the account, you will receive notices about balance alert.

As events are announced, MPP will begin to populate the fee/activities section for

## SETTING UP YOUR ACCOUNT:

The screenshot shows the myPaymentsplus website interface. At the top, the logo "myPaymentsplus" is next to "Villa Maria Academy High School". A shopping cart icon and "Welcome, Lisa" are in the top right. A left sidebar contains a menu with icons and labels: Dashboard, My Profile (selected), My Account, Cafeteria Accounts, Fees, and Events & Activities. The main content area is titled "My Profile" and includes an "Edit" link. Below this is a section for "Email Preferences" with a checked box for "Receive important email updates from MyPaymentsPlus". The "Relationship to the District" section shows "I work in the district (Staff Member)" with an "Edit" link. The "My Account" section in the sidebar lists: Payment Methods & Autopay, Low Balance Alerts, Manage Accounts, Student Meal Purchases, and My Payment History.

You can manage your account, get low balance alerts, automatically replenish your account from your bank or credit card and view payment history under MY ACCOUNT.

## ADDING FUNDS TO YOUR MPP ACCOUNT:

The screenshot shows the "Payment Methods & Autopay" section of the myPaymentsplus website. The left sidebar is the same as in the previous screenshot, with "Payment Methods & Autopay" selected. The main content area has two sections: "Payment Methods" with an "Add Account or Card" button, and "Autopay" which shows "Lisa Roberts" and a "Cafeteria" account with a "Set up" button.

## ADDING MORE THAN ONE DAUGHTER TO YOUR ACCOUNT?

Log in with your MPP account and select from the DASHBOARD: Manage Accounts and select ADD ACCOUNT. You will enter your new daughter's ID as required. You can add funds separately to each daughter.
