Empowering Young Women Since 1872

A magazine for alumnae, parents, faculty and friends of Villa Maria Academy

Fall 2016
Dear Villa Maria Alumnae, Friends, and Family,

"Yes, yes, yes we do, we have spirit how about you?" This cheer has resounded on buses, fields and gyms here for generations. This fall there has been plenty of evidence that the Villa spirit is alive and well. On August 29th we welcomed 119 members of the Class of 2020. They brought with them unbridled enthusiasm for their new home away from home.

Our inaugural Homecoming weekend began with the Hall of Fame dinner on Friday night, where our first class of four athletes and seven Fidelis Award recipients was inducted. Each inductee speech referenced the Villa spirit and how the school had positively influenced their lives. Even a little rain the next day couldn't dampen the spirit of all the alumnae, their families, and current families who came out to celebrate Homecoming. Everywhere I went, I saw alumnae proudly showing their children where they went to school, while others gathered to relive the glory days. We celebrated our state champion volleyball teams in the morning and our state champion field hockey teams in the afternoon. It was truly an awesome “Villa Spirit” day.

As I write this, the Thanksgiving season is upon us, and I want you all to know how grateful we are for your support. You support us with your prayers, your time as volunteers, and your monetary contributions. As we enter the holiday season, know how grateful we are for each and every one of you and for all that you do for Villa.

As the year continues, I hope that you will find time to connect with us. Let us know what is happening in your lives. We want to celebrate the good times with you and support you through your challenging times. I hope that you will remember us in your prayers as we strive to continue the tradition of excellence you all remember. It is challenging work but so rewarding as well. So, the next time someone says, "yes, yes, yes we do, we have spirit how about you?", I hope you can answer with a resounding, “Yes I have spirit!”

Sincerely,

Kathy McCartney

Villa Maria Alumnae once again “Stormed the Shore” on Saturday, August 6, 2016, at the Avalon summer home of Laura DelRaso Melvin ’73. Graduates, parents and friends gathered for cocktails, light snacks, and conversation. The Alumnae Association donated fantastic prizes for the raffle, and Mary Johnson Kinka ’87 won the coveted beach basket. The fun continued with additional drawings, and nearly everyone went home with a prize.

Villa Maria is very grateful to Laura for offering her warm hospitality once again this year, and to all those alumnae and others who took time to stop by, celebrate and catch up with friends at the shore.

Maurene Moore Polley ’64 — Hall of Fame

During her time as a Villa student, Maurene Moore Polley ’64 developed a passion for athletics, especially field hockey and basketball. At West Chester University she earned a degree in Health and Physical Education and played field hockey for legendary coach Vonnie Gros.

In 1968, Maurene returned to her alma mater as Athletic Director; during her tenure she coached field hockey, basketball and tennis, and taught Health and Physical Education. She also coached swimming and volleyball in Catholic Academy inter-school tournaments. Maurene was the catalyst for the enormous growth of the Villa Maria athletic department, which now fields 13 varsity teams. Under Maurene’s leadership the Villa Maria athletic department became one of the most successful in the state.

As a field hockey coach, Maurene is without equal. Highlights include: 584 wins, including a 61-game winning streak; PIAA State Championships in 1993 and 1994; 11 PIAA District 1 Championships (6 consecutive titles from 2007-2012); and, 17 AACA Championships (10 consecutive titles from 1985-1994).

Doris D’Innocenzo (Mrs. D) — Hall of Fame

Doris “Mrs. D” D’Innocenzo is a Villa Maria legend, and the original architect of the Villa Maria athletic dynasty. Doris attended Scott Senior High School in Coatesville, where she was involved in athletic and musical activities. She earned her degree in Health and Physical Education from West Chester University, and began her teaching career at Claymont High School in Delaware. Later, at St. Katharine High School in Wayne, she coached Florence Spingler, a versatile guard on the basketball team. They won three championships together. In 1961, Doris received a call from Florence, who had become Sr. Rose Anthony, I.H.M., stationed at Villa Maria Academy. Sr. Rose invited Doris to interview for the open PE job at Villa Maria, and the rest is history.

Doris was hired in 1961 to teach PE to grades 1-12, as well as Health in the high school. She coached the varsity field hockey, basketball and tennis teams, and took bowling, swimming and volleyball teams to league play days. She won titles in every sport she coached. In 1968, when Doris left Villa Maria, she had the foresight to reach out to her former student, Maurene Polley. Although she only spent seven years on our campus, her impact was felt for many years afterward.

Doris remained an active member of the Philadelphia Board of Basketball Officials, serving as chairman for seven years. She was chosen to referee the college regional play-off games five times. In 1983, Doris went to work for State Representative Bob Flick as his administrative assistant. She retired in 2006.
Rene Muth Portland '71 — Hall of Fame

Rene Muth Portland was an avid Villa athlete, playing field hockey, basketball, and volleyball. She is legendary as a basketball player and coach, but admits that field hockey was her first love. She was coached by fellow Hall of Fame inductees Doris D'I Nnocenzo and Maurene Polley. Rene is certainly one of the nation’s foremost leaders in women's athletics.

Rene began her collegiate basketball career by helping lead the Immaculata College Mighty Macs to the first of three consecutive national championships under legendary coach Cathy Rush. The school’s record during her career was 85-5. In 2014, the Mighty Macs were inducted into the Naismith Basketball Hall of Fame. After graduation, Rene stayed on as Rush’s assistant, as the Mighty Macs finished 2nd in the nation.

In 1980 Rene Portland became head women’s basketball coach at Penn State, where her 27-year tenure encompassed 7 Conference Championships and 8 Conference Tournament titles. During the 2006-07 campaign, she became just the ninth coach in NCAA Division I history to record 600 wins at one institution. Portland is the 19th-winningest Division I coach of all-time, a four-time Big Ten Coach of the Year, and a two-time WBCA National Coach of the Year.

Portland made it a priority to give back. She and the Lady Lions were constant fixtures with a variety of organizations, including Easter Seals, Special Olympics and United Way. In 2005, Portland was named Renaissance Person of the Year, a prestigious award given to a local leader in the community.

Rene also made her mark in the international arena. In the fall of 1997, Portland earned USA Basketball’s Developmental Coach of the Year accolades after her second straight summer involved with USA basketball. She coached the U.S. Junior National Team to its first-ever gold medal at the 1997 World Championships. In July 1999, Portland coached the USA Women’s World University Games Team to a silver medal in Spain.

Angie Brown ‘94 — Hall of Fame

At Villa Maria, Angie Brown was a standout athlete in both basketball and track and field, and an active member of Student Council. After her sophomore year, Angie decided to focus solely on track and field.

In the Penn Relays, she won top U.S. High School Competitor three years in a row, and broke indoor and outdoor long jump records throughout high school. Angie was the AAU Junior Olympic Champion in 1992, and the Indoor and Outdoor National Champion for the long jump three times. She broke the district record for the most gold medals won by a high school athlete; garnered 12 individual outdoor and 9 individual indoor state titles; and ranked on the All-Time Top 10 jumpers list for indoor track.

In 1994, Angie won the Golden West Title, surpassing Marion Jones’ long jump record, and was ranked 5th in the world. Angie made her first national team in 1994 for the Junior World Championship in Lisbon, Portugal, as well as the World University Games in Canada.

Angie spent her freshman year of college at Seton Hall, earning Big East Championship titles in both the indoor and outdoor long jump. She transferred to George Mason University, where she continued her athletic success. During her collegiate career, she represented the US in the Junior Pan-American Games in Santiago, Chile, winning a gold medal; was a 7-time All-American; and, won an NCAA long jump title. She made the Senior United States Team for the Pan-Amrican Games, where she won a Silver Medal, jumping 22’6”.

Angie now dedicates her time and passion to developing training initiatives for young athletes. As a certified personal trainer and strength conditioning coach for over 16 years, she has owned and operated athletic gyms throughout the city of Los Angeles. She held the position of Strength and Conditioning Coach for the WNBA Los Angeles Sparks for two seasons.
Mary Jane Raymond ’78 — Fidelis Award

As a freshman at Villa Maria, Mary Jane Raymond made an impression as a scholar. She was a four-year member of the National Honor Society, and was president of the French Honor Society, Mu Alpha Theta Honor Society, Student Council and Children of Mary. She was active in A’Cappella, the Drama Club, the Science Bowl, Mathletes, Reflections yearbook, and Festival magazine. She was named salutatorian of her class.

Mary Jane earned a B.A. in Public Administration from St. Joseph University, an MBA from Stanford University, and is a Certified Management Accountant. She held positions in finance and general management at the Cummins Engine Company, and led Lucent Technologies’ merger integration practice from 1998-2002. She was the Corporate Controller at Dun and Bradstreet for five years before becoming the CFO of Hudson Global in 2005. In 2014 she joined II-VI Incorporated as their CFO.

Despite her demanding career, Mary Jane has always made time for philanthropic pursuits. She served on the Board of Trustees of the Colonial Symphony for twelve years, and has supported the Gift of Life Family House and Children’s Hospital of Philadelphia. She served as president of the Villa Maria Academy Alumnae Association from 2013-2016, and has been a member of Villa’s Advisory Board.

Villa students are the direct beneficiaries of Mary Jane’s generosity. She donates to FEST, and to every club and team, often sending chocolates to students and staff to congratulate them on a success. Mary Jane underwrote the Senior Capstone Project, and is a mentor in the program. She created the Jane F. Raymond Scholarship fund to support music education.

Mary Jane is quick to tell anyone that her twin sisters Annie Raymond Eversman ’82 and Michele Raymond Ward ’82 both were fabulous students at Villa Maria, and she boasts of the soccer conquests of her niece Beth Eversman ’16, now a freshman student athlete at Loyola University.

Patty Baldi Holloway ’72 and Gary Holloway — Fidelis Award

Gary Holloway founded GMH Associates, a real estate company specializing in student and military housing. Later, GMH expanded to include residential and commercial properties throughout the United States. An IPO in 2004 for the student and military housing division created GMH Community Trust (GCT), with Mr. Holloway as chairman, president, and CEO from 2004 until its sale in 2008. At the time of the sale, GCT was the largest owner and operator of off-campus housing, and the military housing division was among the largest developers and operators of on-base housing.

Patty earned a B.S. in Education and an M.S. in Counseling and Human Relations from Villanova University, and worked in the counseling offices of Villanova and Bryn Mawr College. She has chaired successful fundraising events for breastcancer.org, St. Edmond’s Home, After School All-Stars, Malvern Prep, St. Charles Seminary, and her alma mater, Villa Maria.

The Holloways have been especially generous to Villa Maria and the I.H.M. Sisters. They support the Sisters and Camilla Hall, and were instrumental in the expansion of St. Joseph Hall in 2001. Gary and Patty were also lead donors to the Maurene Polley Field project.

The Holloways are benefactors of the Archdiocese of Philadelphia, Narcotics Overdose Prevention Education, Villanova University, and an orphanage in Honduras, to name just a few. The Holloways played an integral part in planning the papal visit last fall and visited Rome to meet with Pope Francis before his visit. Patty served on the Main Line Health Board of Directors and chaired the Governance Committee. Presently, Patty chairs the Paoli Hospital Foundation Board.

When she is not volunteering, Patty serves as the President of Lindsay Fashion Enterprises, which oversees frey boutique in Newtown Square and Ocean City. Gary and Patty have five children, including daughter Lindsay ’05, and 11 grandchildren.
Mike and Mary Kay O’Rourke — Fidelis Award

Mike and Mary Kay O’Rourke have been fixtures at Villa Maria since September 2001, when their oldest daughter Katie enrolled as a freshman. Mike and Mary Kay served on the Parent’s Guild, and were instrumental in the transition of this group to the VMA Advisory Board. Mary Kay was secretary of the board until last spring, while Mike continues to serve as the Chair of the Facilities Committee. Mary Kay was a loyal FEST volunteer, doing everything from data entry to basket building. She served as the Parents’ Association secretary and helped organize the Christmas service project. As head of the Facilities Committee, Mike has overseen many facility improvement projects at Villa, like the expansion of St. Joseph Hall, and last year spearheaded the construction of the Maurene Polley Field.

Both Mike and Mary Kay were instrumental in the recent Strategic Planning Committee and in creating the 2013 Strategic Plan for Villa Maria. Their commitment to Catholic education can also be seen in their dedication to St. Agnes Parish, where Mary Kay serves on the finance committee and Mike coaches CYO basketball. Mary Kay is currently the President of the Board of the West Chester Senior Center, and Mike serves on the boards of the YMCA, Salesianum High School, Fulton Bank, and the West Chester University Foundation Board.

Mike is the owner of O’Rourke & Sons Steel, and Mary Kay became CFO after working at IBM. Mike, a 1974 graduate of Cardinal O’Hara, and Mary Kay, a 1974 graduate of Academy of Notre Dame, met when they were 15 years old while both were babysitting younger siblings at the St. Alban Swim Club. Mike graduated from Mount St. Mary’s and Mary Kay from Georgetown. The couple has five children: Mike, Katie ’05, Colleen ’10, Kellie ’12, and Clare ’15. Together they have supported the Hurricanes at approximately 165 basketball games, and can still be found on the sidelines for big games.

Jack and Nancy Hewes — Fidelis Award

Jack and Nancy Hewes joined the Villa Maria Academy family when their oldest daughter, Christi, matriculated as a member of the class of 1995. Katie ’97, and Maggie ’04 followed, having been famously told by Jack, “You can go to any high school you want, but I’m sending the tuition payment to Villa.” Almost immediately, Jack and Nancy began to volunteer in the classroom and on committees, supporting Villa’s mission of faith, and enjoying their involvement in their daughters’ school years.

As parents, Jack and Nancy earned a combined eight Varsity letters while cheering for the soccer, basketball, lacrosse, volleyball, and track and field teams. While their support of Hurricane athletics was always loyal and boisterous, their generous philanthropy and leadership at Villa Maria as an institution is most noteworthy and inspiring. Since 1995, Jack and Nancy have volunteered on the Parent’s Board, co-chaired the Auction/Fest in 1996, co-chaired Villa’s Capital Campaign in 1997, and, co-chaired the Golf Outing in 2004. Jack has had a seat on the Advisory Board since 1999. Most recently, Jack and Nancy were lead donors to the Maurene Polley Field. Their consistent generosity through annual giving and capital campaign support have been critical to the long term success and sustainability of Villa. More importantly, the gift of their time, energy, and sense of humor have left an indelible mark on the school community.

It’s likely that none of this would have been possible if Jack, a St. James Bulldog and still-aspiring Hall of Fame catcher, and Nancy, the daughter of a tough-as-nails Lansdowne policeman hadn’t met and married 45 years ago. Today they can be found in Malvern, PA, Fort Myers, FL, or Kinsale, Ireland, where they enjoy golfing, movies, spoiling their eight grandchildren, and rooting for the Villa Maria Hurricanes wherever they are.
Sr. Regina Ryan, I.H.M. hosted the second annual I.H.M. Leadership Reception on September 22, 2016. Sr. Regina welcomed Villa’s IHM Leaders, and expressed her deep gratitude on behalf of the school for their continued commitment and support.

Mackenzie Haley ’17, a recipient of the Sister Mary Kelly Scholarship, spoke of her decision to attend Villa Maria. “Throughout my time at Villa, I have learned and experienced so many things that I wouldn’t be able to at another school. I thank my mom and dad. I also want to thank you, my benefactors, for your help and support of my Villa Maria Academy education. It is a game changer for sure!”

Principal Sr. Regina Ryan, I.H.M. started off the day with a warm welcome back to school. Mrs. Rose Coghlan presented the Capstone senior project to the senior parents, and all the parents had the opportunity to walk in their daughters’ shoes and visit teachers, roam the hallways looking for classrooms, and catch up with old and new friends. Following the informational sessions, parents, faculty and staff gathered on the convent lawn to enjoy a social hosted by the Villa Maria Academy Parents Association. The day was the perfect way to kick off another Villa school year.

Views of Villa
Villa Maria Academy High School made great strides last year, thanks to our many loyal donors, our tireless volunteers, and our dedicated faculty and staff. We nearly doubled our number of donors to the Villa Fund this year! At the same time, we reconnected with many of our alumnae through campaigns like March Madness and Giving Tuesday, and programs like senior Capstone.

Our Villa fund donations totaled over $440,000, which allowed us to make the following improvements to campus:

- Security upgrades, including cameras throughout our campus
- New HVAC in the gym
- New HVAC in the Tech room
- Additional outdoor seating and picnic benches so that students can enjoy lunches and free time outdoors in the nice weather.
- New roof on St. Joseph’s Hall
- Completion of the feasibility study as a continuation of the Strategic Plan
- On-campus School Store
- An additional learning specialist to provide essential services to all students.

Thank you for helping Villa Maria continue its mission of empowering young women to lead lives of spiritual growth, intellectual inquiry and Christian service. Your support helps us to ensure that Villa Maria Academy is the best place it can be.
Your donation makes a difference! Tuition paid by each student covers only about 85% of a Villa education. Your commitment to the Villa Fund helps Villa Maria Academy maintain its rich tradition of innovative teaching and learning, rooted in the IHM charism of love, creative hope and fidelity. You join more than 1,400 alumnae, parents, faculty and staff, grandparents, former teachers, parents of alumnae, and friends of Villa who contribute to annual giving each year. We are blessed to have the trust and support of those donors and volunteers who have made the choice to honor our past and to invest in our future.

I feel so lucky to go to such a warm and empowering school.
I am thankful for so many learning opportunities at Villa, from our great art program, enabling me to explore my creativity, to the awesome field trips. In particular, I will remember forever a field trip freshmen year, when we traveled to West Chester University and met Holocaust survivors and heard their stories.

40 Views of Villa
Loyal donors are the cornerstone of Villa Maria’s success. A dedicated core of parents, alumnae, grandparents, faculty, staff and friends generously support Villa Maria every year. The Carol and Ring Society recognizes donors for consistency and loyalty in giving to Villa Maria Academy High School throughout consecutive years. Inspired by one of our most treasured traditions and the sense of community it creates, the Carol & Ring Society recognizes everyone who makes annual gifts to Villa Maria for five or more consecutive years. Gifts can be in any amount and can be designated to any area of the school. Consecutive years of giving are counted by fiscal year, which runs from July 1 to June 30.

We are profoundly grateful for the following donors for their steadfast support over five or more consecutive years. An asterisk indicates ten or more consecutive years!
Once a Hurricane, always a Hurricane, but what does it mean to be a Hurricane after you’ve graduated? With college, graduate school, travel, careers, marriage and kids, life gets busy. And the further you move away from your high school years, the easier it is to forget how much impact Villa has had on you. It’s never too soon to think about giving back. We salute those young alumnae who are giving back so that current and future Hurricanes can enjoy the enriching Villa Maria Academy education.

It is our pleasure to welcome these alumnae into the Daisy Chain Society to recognize qualifying gifts within 14 years of graduation.

Every day there is demand for our charitable dollars. All fiscally responsible people set aside a certain amount of money for charitable contributions every year. Sometimes we don’t even know about a good deed until the person’s work on this earth has been completed. This is the story of one such benefactor.

Last spring, a letter arrived in the Advancement Office from a lawyer. The letter stated that Villa Maria Academy was named as a beneficiary in the will of Marie Flamini, a 1944 graduate of Villa. In the 1944 yearbook, Marie was described as a mild-mannered, charming young woman with a deep sense of humor. Marie’s cousin and executrix said that Marie was very proud of her education, and that she always talked about her time at Villa. She said that Marie had a great marriage with the love of her life, Vincent, and that although she never had children, she had several dogs that she loved like her children. Marie worked in accounting, so she was financially astute.

Having been a young woman during the Great Depression and WWII, Marie worried about running out of money. She was frugal and careful, and invested her money wisely. When charities asked for donations, she politely turned them down. She was concerned about being financially independent later in life. But unbeknownst to many, Marie was carefully timing her works of charity. Having a great interest in education, the I.H.M. Sisters, and her parish, Marie named Villa Maria Academy, Camilla Hall, and St. Dorothy’s Parish as beneficiaries in her will.

Marie McGurgan Flamini passed away on February 8, 2013, but her legacy and good works will be felt for many, many years thanks to her generous gift to Villa Maria of $91,000. Who would have thought that the teenage girl who raced around the campus 70 years ago as a member of the Athletic Association, Children of Mary and the Glee Club would one day be able to be such a great benefactor to her alma mater? Marie’s story highlights another way that people can make transformational gifts to Villa even after they have passed away.

If you have named Villa Maria in your will, please contact the Advancement Office so we can add your name to our Green Tree Society. If you are interested in talking about planned giving, please contact Kathy McCartney in the Advancement office at (610) 854-6121, or at kmccartney@vmahs.org.
Parents of Alumnae: If this issue is addressed to your daughter who no longer maintains a permanent address at your home, please email the new address to Sarah McGovern at smcgovern@vmahs.org, or call the office at 610-854-6129.
