Dear Parents:

Villa Maria Academy has made arrangements with My Turn to Drive School in order to provide Driver Education instruction for Villa Maria students during the winter semester. The theory course will consist of approximately 15 classroom sessions of instruction in defensive driving practices and techniques covering various types of driving environments. Students can enroll at the age of 15 and above, and they do not need a driving permit for the class work. **The winter class instruction will be held after school, in the Study Hall, from 3:00PM to 4:45PM, beginning on Monday, November 3rd, 2014, and ending on Monday, January 26th, 2015.**

My Turn to Drive School specializes in teaching young teenage novice drivers. The school operates in Lower Montgomery County. All instructors are college graduates, experienced, and fully certified and licensed by the Pennsylvania Department of Education to teach highway safety courses. The classroom instructors will be Mr. Neil Pancoast or Mr. Scott Seibert. They are both fully certified to teach Highway Safety and have successfully conducted classes in Driver Education in the Lower Merion School District for the past fifteen years. There are three major reasons for offering this defensive driving course. First, the development of the proper attitude toward defensive driving is a most important trait to instill in a young driver. Second, if your teenager **successfully completes an accredited driver training course you may save up to 15% on yearly insurance premiums up to 21 years of age.** Third, students will be eligible to obtain a senior license at age 17 1/2, instead of age 18, if parental permission is obtained.

The fee for classroom instruction is $225.00 and includes all classroom materials. If you would like to enroll your daughter in the course, please fill in, detach, and return the application below with a tuition check in the amount of $225.00 payable to My Turn to Drive School. MAIL TO: MY TURN TO DRIVE SCHOOL, PO Box 392, Ardmore, PA 19003.

If you plan to permit your teenager to drive the family car or one of their own, this course offers the peace of mind that you provided the best learning opportunity for driving defensively. Our chief concern is not the dollars saved on lower insurance rates, but rather the accidents, injuries, and even deaths which may be averted by proper training and learning good decision making skills. If you need a class calendar or have any questions or concerns, please e-mail the driving school office at director@mttds.com or call us at 215-292-2070
